What musical sounds  
can you find in your  
recycling bin?

**WOODS** tap scrap wood with  
a stick.

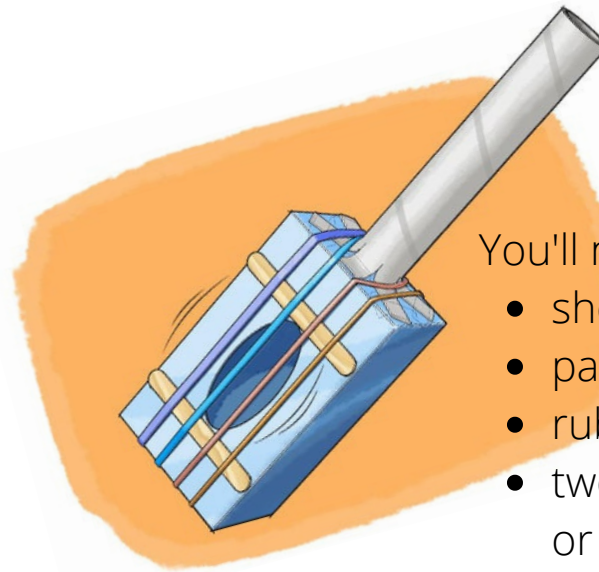

**SHAKERS** put dried beans in a  
plastic tub with a lid.

**STRINGS** shoe box guitar (see pic!)

**SKINS** stretch plastic over a tin can,  
secure with a rubber band.

**WINDS** sing into a tube or blow across  
the opening of an empty bottle.

Make your own shoe box guitar!

You'll need:

- shoe or tissue box
- paper towel tube
- rubber bands
- two pencils or pens  
or popsicle sticks

Play your favorite song, form your own band,  
or strum along to a GTMF Musical Road Trip.
